

In today's passage we're going to see how Jesus answers 2 big questions:

1. What must I do to get

eternal
life?

2. Who then can be

saved

So let's see how Jesus answers them.

1. To get eternal :

life
you just need to be

perfect

Ummm, that's pretty

easy!

Do you know

anyone

who is perfect? We ALL get things

wrong, don't we?

Even the man in the bible passage who had kept God's

commandments
knew that he loved his

moments more

than he loved God so he wasn't perfect.

So we need to hear Jesus' answer to the second question, Who then can be saved?

2. Well it should be

impossible

But Jesus then tells us that with God ALL things are

possible

Because God had a plan, sending the only perfect person,

Jesus

to die in our place to pay for our failure and then to rise to conquer

death

Thank God for sending Jesus to die in our place to make it possible for us to have eternal life if we trust him. Colour the picture of Jesus and the rich man.
