

Today is :

Easter

Sunday when we celebrate Jesus'

resurrection

Our bible reading was from the gospel of

Luke

and he had carefully looked into Jesus' death and resurrection and discovered the following

3 facts:

1. That Jesus' body was definitely

raised

②

2. That the tomb that definitely had Jesus' body in was definitely

empty

3. That the actual physical

body

Of Jesus was actually physically raised from the

dead

So if these are the true

facts

about the resurrection, what does it all mean?

③

Jesus explains it means that He is the

Christ.

(that's a bible word for God's anointed

King.)

So how do we respond to Jesus the King?

Firstly we should

repent.

(that means turn towards Jesus instead of
away from him)

Then we will find.

Forgiveness.

and peace. So then we can tell others about

Jesus.

④

Colour the picture of the empty tomb and thank God for raising
Jesus to life so that we can be forgiven and know Jesus for ever.

HE HAS RISEN!
