

Listen carefully to the Bible reading  
from Matthew 22 verses 15 to 46

Do you remember the things we've been learning over the  
last few weeks in Matthew?

Unscramble the letters to answer the questions.

Jesus finally arrived in the city of \_\_\_\_\_  
(umlerJsae)

Jesus rode into the city on a \_\_\_\_\_  
(yekond)

The religious \_\_\_\_\_ had been getting very unhappy  
(dearsel) with Jesus.

The religious leaders were trying to find a way to stop  
people following Jesus.

This week the leaders bring their hardest **questions** to  
Jesus. They want the people to see that Jesus doesn't know  
the **answers**.

It is good to ask honest questions, but what were they  
really trying to do? (look at verse 15)

---

The first group of religious leaders to ask Jesus a difficult question was the... (verse 15)

P\_\_\_\_\_

They asked: "Is it right to pay taxes to Caesar?"

Remember Caesar was in charge of the Roman Empire. But the people did not like the Romans.

Can you see why the Pharisees thought this was clever?

- |                              |   |
|------------------------------|---|
| If Jesus said <b>Yes</b> ... | • ...the soldiers could arrest him!       |
| If Jesus said <b>No</b> ...  | • ...the people would be unhappy with him |

How did Jesus answer?

"Give to \_\_\_\_\_ the things that belong to Caesar and  
give to \_\_\_\_\_ the things that belong to God"

Here is a Roman coin with  
Caesar's picture on

Jesus said they should pay  
their taxes to Caesar  
because it belongs to Caesar

Draw a picture of  
yourself here

Jesus says we should give  
ourselves to God because we  
belong to God

The second group of religious leaders to ask Jesus a difficult question was the... (verse 23)

S \_\_\_\_\_

This group of leaders thought that when we die there is nothing else. No heaven. No hell. Nothing.  
So they tried to catch Jesus out with a question about heaven.

But Jesus said they are **wrong**.

Jesus shows them in the Bible God said (verse 32):

"I **AM** the God of \_\_\_\_\_, and the God of \_\_\_\_\_, and the God of \_\_\_\_\_"

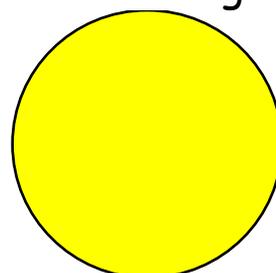

God said this even after they had died!

What do you think? Can God say he is still the God of Abraham after Abraham is dead?      Yes / No

Why? (Where is Abraham now?) \_\_\_\_\_

God is so powerful! Of course he can bring his people to heaven after they die. The Sadducees were wrong!

How did the crowds react to Jesus' answer? (verse 33)  
Can you draw their faces?

Which group of leaders tried to catch Jesus out with another question? (verse 34)

P\_\_\_\_\_

They asked what the greatest commandment was. What was the answer? Can you write them in your own words?

First (verse 37): \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Second (verse 39): \_\_\_\_\_

\_\_\_\_\_

Look at what happened next! Who asked a question this time? (verse 41)

J\_\_\_\_\_

Jesus had no problem answering difficult questions. But what happened after Jesus asked the religious leaders a question?

\_\_\_\_\_

\_\_\_\_\_

The religious leaders fell into their own trap!	Jesus showed he is <b>greater</b> - of course he is!	He is the <b>Christ</b> , the son of <b>David</b> !
