

Redemption or rescue -especially the Cross of Christ: Jesus dying on the cross is the best example of the providence of God. This was always God's plan.

Colour the Picture below based on part of the Psalm we heard about God's providence in our lives.

PSALM 139

GOD KNOWS EVERYTHING ABOUT ME!

"Such knowledge is
Too wonderful for
me, Too lofty for
me to attain."

Psalm 139:6

BD Children's learning sheet - Providence 1

Today we are starting a new series all about something called God's

providence

That's a big word and it describes the fact

that God works to make

everything in His universe achieve the purpose He has

planned . So the big

thing for us to understand today is that

all things

happen according to God's plan.

This includes:

Big

things: Even the biggest,

most powerful Kings and countries are still

beneath

the Lord's

mighty hand.

Small

things: God knows

the number of hairs on our heads! Look at

one tiny hair

on your head and

thank God that he knows you that well.

Our personal lives and

history: God knew all about us even when we were still in our Mummy's

tummies.

Random

events

and "luck": Really there is no such thing as a 'random event'.

Our choices: This is

tricky

to understand.

We're going to think about this a bit more next week.

Good is

in charge
