BD Children's learning sheet - Love 1

Today we're starting a new mini-series

thinking about love

It's been a hard year because we haven't

been able to see people and we

may have started to forget how important

it is to look outward

rather than inward at ourselves.

So, this week we're going to start thinking  
about our love for God because there is  
nothing more

important.

Our verse from Deuteronomy tells us we should love the Lord with all our

heart, soul and might (or

strength). And Jesus tells us this is the most important

commandment

because this is what we were made for.

And because it's what we were made for, it

affects all parts of our lives.

But how do we love with our whole lives?

Well, we can't love God unless we first

know His love. God loves

us so much that he sent Jesus to die for us so that our sin could be dealt with and we could love God.

But what does loving God look like?

- Loving God means loving His

words

- Loving God means

obeying Him

- Loving God means

praising Him

- Loving God means loving

others
