

The light shone onto 12 loaves of bread that sat on a table...

The bread was like...

It is good to have **the sun**  
shine on you...

It is even better to have **the**  
**Son** shine upon you!

What would you most like to thank Jesus for?

## Before we listen to our Bible reading...

What does it mean to **love** someone?

Love = \_\_\_\_\_

When you love a person, you spend time with that person.

In today's Bible reading the Lord speaks about spending **TIME** with Him. Listen carefully! It's **Leviticus 23:1-4**.

Here's what chapter 23 and chapter 25 are all about...

## The Lord fixed special times to meet with Him

He had already told them **WHERE** to meet with Him - at the "tent of meeting."

Next, he told them **WHEN** to meeting with him. So...

What was the most important time for God's people back then?

Your birthday... or summer holiday... or meeting with God

**The first special time was a "sabbath" (23:3)**

How often did this happen?

Once per week... or Twice... or Four times

On the Sabbath God's people were called together - to pray and praise, to offer sacrifice, to hear the Bible.

Their special sabbath times meant that they had

So, they had to stop their normal **w** \_\_\_\_\_

And they copied **G** \_\_\_\_\_, who rested from His work on the 7<sup>th</sup> day.

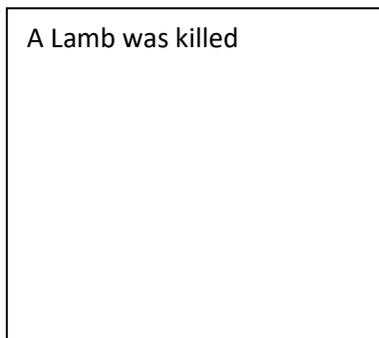

The Lord still wants us to have spend special time with Him. We can do this EVERY day. But the New Testament says there's also a special "**Lord's Day.**"

**During each year there were 7 special feasts**

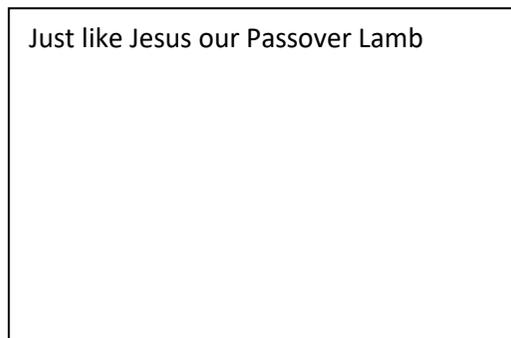

There were special things to do. These helped God's people remember the Lord and enjoy being together with Him.

For example the Passover feast. What was it about? Draw it...

A Lamb was killed

Just like Jesus our Passover Lamb

We don't have to keep those festivals like God's people did then. But the Lord does want us to have times to remember what Jesus has done for us.

And he does give us a special meal to help us feel and really believe that the Gospel is true.

What do we call this?

The **L** \_\_\_\_\_ **S** \_\_\_\_\_

But what was so good about stopping doing your normal things in order to worship?

Chapter 24 teaches that...

## The Lord wants to shine his face upon his people!

Listen to Leviticus 24:1-9...

Inside the Tabernacle was a shining lampstand.

It was a bit like...
